WELCOME *from the* GOVERNOR

Dear Friends,

On behalf of the great State of Tennessee, it is my pleasure to welcome you to the Interchurch Holiness Convention and to our beautiful state. We are honored to host more than 5,000 attendees from across the nation and around the world here in Gatlinburg at the Gatlinburg Convention Center.

Tennessee is known for its strong faith traditions, warm hospitality, and natural beauty, and Gatlinburg, set against the backdrop of the Great Smoky Mountains, provides a meaningful setting for worship, reflection, and fellowship. The Interchurch Holiness Convention has a long-standing legacy of bringing people together in shared faith and purpose, and we are grateful you have chosen Tennessee as the site for this important gathering.

As you come together for this annual event, I hope your time here is spiritually enriching and personally rewarding. May your experience in Tennessee be memorable, and may your time together strengthen your mission and the global faith community you represent.

Warmest regards,

Bill Lee

INTERCHURCH HOLINESS CONVENTION

Thank you so much for making the trip to the Smoky Mountains for the 74th Annual InterChurch Holiness Convention.

From most States and many other countries, people have gathered for fellowship, refreshment, and, most of all, to seek God for a revival for our nation and church.

The need has never been greater, but the promises are even greater.

“Draw nigh to God, and He will draw nigh to you.”

I love our theme. It’s the promise of Redemption.

God wants to take our old stony hearts and give us a new heart! “His image. My heart.”

The fact that God wants to change the whole of our infected nature... and give new appetites, new passions. Adam Clarke writes: “You cannot have a new heart and the old heart at the same time.”

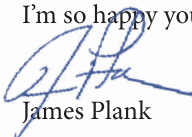

We need God’s image burned deep into our hearts. His Spirit within.

Tired? Drifting? Spiritually unsatisfied? Welcome to Gatlinburg Convention, and I urge all of us to stay close to the altar. To pray for our own needs, and to help others pray for theirs.

Keep a spirit of victory and glory in the services. Don’t allow deadness, formality, or a critical spirit to hinder the workings of God. Others may be unmoved or untouched, but let each of us be a committee of one to contend for God’s presence. We need Him. Now, more than ever!

Thank you for going to the expense and taking the time to join us at Gatlinburg. Get in on every service and prayer time. Draw up to the table and feast on the good things of God,

I’m so happy you are here,

James Plank

HELP WANTED

“**Help Wanted**”—these two words are seen often, especially in times of economic boom. Finding reliable, skilled, and honest employees today is one of the largest challenges for business owners. In Matthew 9:37-38 Jesus stated there was more spiritual work to be done than available workers to do it. “Then saith he unto his disciples, the harvest truly is plenteous, but the labourers are few; pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.” This could be referred to as Jesus’ “**Help Wanted**” ad for the church.

Hope International Missions is grateful for the incredible team of missionaries God has sent us. But we need more workers! Pastors are needed in *Mexico City* and *Grand Turk*. Pioneer missionaries are needed in *Guyana* and *Rwanda*. English teachers are needed in *American cities*. These are just a few of the global needs for help. **Is God calling you?**

NEW BOOK

Dr. Michael Williams

Professor, International Teacher, Pastor, Author,
and former denominational superintendent

"...Dr. Williams has provided his reader with a conservative approach to the discipline of anthropology. While demonstrating his familiarity with academic issues in this field, he thoroughly grounds his presentation within a solid biblical context. The result is a book that will benefit students and professionals alike..."

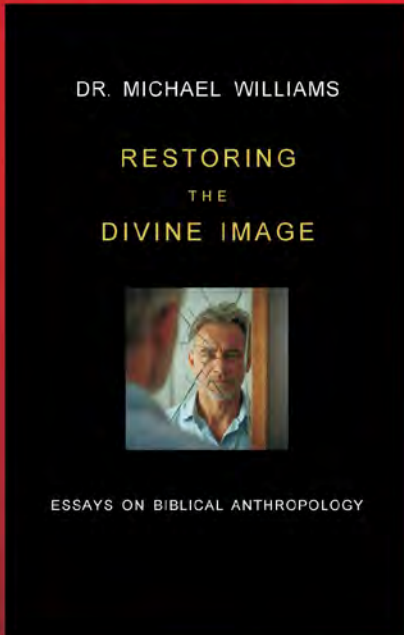

—PAUL L. KAUFMAN, PH.D.

Chair of Bible and Theology, Hobe Sound Bible College

"...Offers the reader a brief defense of a Wesleyan understanding of sin and the New Testament's understanding of the Law. Particularly interesting is his treatment of the triune nature of humanity and the proper ordering of spirit, mind, and body. Written chiefly for the Conservative Holiness Movement [this] will prove beneficial for anyone wishing to explore these anthropological aspects of Christian theology."

NEWLY RELEASED TITLE BY Wallace Thornton, Jr.

Minister and Author, *Radical Righteousness, Reading Holiness,*
and many more
College Professor of History
Associate Editor, *Historical Dictionary of the Holiness Movement*

In a culture similar to that of Gideon's time, when "every man did that which was right in his own eyes," we too need "mighty men of valour" who will "earnestly contend for the faith" and "stand in the gap" for their families, churches, and communities. This one-month devotional tour of Gideon's life reveals principles relevant for spiritual warriors today. These truths prove essential for personal spiritual victory as well as for successful Christian leadership.

Venture *Student Internships*

Go! Venture offers internship possibilities in many countries. Serve on a field as you receive training under experienced missionaries. Your mission focus will be sharpened as you develop your cross-cultural skill set and gain confidence in ministering.

Reach *3-12 Month Assignments*

Go! Reach offers mission terms of three to twelve months. While HIM focuses on long-term missions, short-term missionaries fill specific needs, such as covering for those on home assignment or providing training. Recent graduates can serve for a year and gain mentorship from senior missionaries.

Disciple *12 + Month Service*

Go! Disciple is Hope International Missions' long-term missionary program, focused on making committed disciples of Christ. HIM supports missionaries with financial, pastoral, and logistical help as they guide new Christians in their faith.

Impact *1-2 Week Projects*

Go! Impact organizes one- to two-week mission trips for projects such as disaster relief or building projects. Let us know your skills to help overseas.

- A terrible stench lit me in the face. I was horrified to discover that I had emptied my holding tanks into the church crawl space vent.
- I am happy for our "shake hands and be friendly" ways in the holiness movement.
- I'm not sure why many people do not leave their seats to welcome visitors, but that is what happens.
- I have found that anytime I love kids, I am rewarded with friendships that last a lifetime.
- Children are instantly able to read most adults.
- She had her pistol that she carried every day to protect her students in that rowdy and backwards country.
- Dark figures surrounded our trooper. They were fierce guerillas, and they took control of us and the trooper.
- During those hours of fear and darkness, I lost reality. I couldn't tell what was real and what wasn't.
- During COVID, the Calvary Kids' Camp was the only thing of its kind in the Conservative Holiness Movement.
- How can the will of God hurt this much? That is what our human hearts cry out.
- What is greatness? It is to be used in God's kingdom for the good of His glory, and praise of His holiness.
- This is the fate to those who had aspired to greatness, but fail the class on seduction and lust.
- I am sad to say that some men that I have thought to be a "Joseph" in my life's walk have greatly disappointed me.
- Have you ever cried out, "It is enough"? I have.

Rollin Mitchell and his wife Debora have been married 46 years and have three children. Rollin has hosted ICHA Kids' Camp for over 27 years, and was General Secretary of ICHA for over 29 years. He is the author of seven books.

EUROPE 2026

Hey kids! Louie here. I'm so excited to share with you a new adventure my friend Margo and I are taking this year in Europe through the *Engage Kids* program!

What did you say? You don't know what Engage Kids is?

Oh, I'm so glad you asked! *Engage Kids* is an exciting, adventure-filled booklet designed especially for kids like you, ages 6-12. You can join Margo and me on a fun, interactive journey as we discover the important work HIM missionaries are doing in Europe. These booklets are packed with stories and activities that will help you learn more about the fascinating world of missions. There's so much to see and discover! I think you'll love traveling through Europe with *Engage Kids* this year.
